## 3PL GIANT EXPANDS IN NASHVILLE

**Nashville, TN:** Leading third party logistics provider Jacobson Companies has announced plans to expand its presence in the Nashville market. The Des Moines, IA- based 3PL has signed an agreement with Panattoni Development Company to lease a portion of Commerce Farms IV near the Hwy 109 – Interstate 40 interchange in Lebanon.

“After a thorough evaluation of all of the options, Jacobson decided on this facility largely as a result of the area’s strong labor market and its location as it relates to their inbound/outbound transportation routes”, says Jeb Atkinson with ProVenture, who represented Jacobson on the deal.

The deal kicks off the construction of Panattoni’s fourth building in the Commerce Farms development. Other tenants include Bridgestone/Firestone NA and Visteon Corporation. Jacobson will occupy nearly half of the new 277,000 SF building, which is set to be delivered in early 2008. Jacobson will operate the facility as a multi-client campus.
